THE AMERICAN LEGION BOYS STATE

Enrollment now open for The American Legion Boys State in New York State

Rising high school juniors with outstanding leadership, character and community service qualities encouraged to apply

Seneca County, New York – The American Legion Boys State program is accepting applications for 2018. Boys State will be held June 24 – June 29, 2018 at SUNY Morrisville in Morrisville, NY.

The American Legion Boys State is a unique summertime educational program for boys entering their senior year of high school. The program focuses on participation and personal experience in a model state, complete with governmental bodies and elected public officials. It is designed to mirror the structure and operation of state government while providing training in practical citizenship, leadership and character through a non-partisan lens.

“The American Legion believes our government is only strengthened by teaching today’s youth to understand and appreciate the democratic process, “its programs like The American Legion Boys State that help America remain strong and ensure our freedom for future generations.”

The American Legion Boys State program consists of classroom work, lectures and hands-on activities that promote learning by doing. Each participant is known as a “citizen” and becomes an integral part of the process assuming specific responsibilities as an elected or appointed official. Enrollment fees are paid by The American Legion posts, businesses or other civic organizations.

Former delegates that participated in The American Legion Boys State programs across the country over the years continue to inspire current students to apply. Past graduates that went on to have a career in the public eye include President Bill Clinton, athlete Michael Jordan, rock star Jon Bon Jovi, news personality Tom Brokaw, and former U.S. Peace Corps director Gaddi Vasquez, to name a few.

“The college application landscape remains incredibly competitive,” said Fred Percy, County Coordinator and South Seneca Chairman of The American Legion Boys State program in Seneca County. “High school Juniors are looking for extracurricular activities that can help them develop skills and experience that will stand out in the crowd. Selection in The American Legion Boys State is a testimony to the character and leadership of each participant and is an experience recognized by employers, U.S. service academies and university admissions boards.”

For more information on The American Legion Boys State program and how to apply, contact Mr. Russ Gillan or your School Guidance Counselor or Mike Bowen, Waterloo Boy’s State Chairman @ 315-345-3034, mickbow2949@gmail.com. And Fred Percy @ 315-730-4226-fmp4463@hotmail.com, complete details on the program can be found at www.nylegion.net/boys-state/.

ELDER ABUSE THRIVES IN SILENCE

Victims are often too afraid, too sick or too embarrassed to speak up.

Elder Abuse is:

- Pushing, hitting, punching.
- Shouting at, berating, intimidating, threatening harm.
- Stealing or fraudulent use of an elder’s funds.
- Neglecting an elder’s physical, medical and emotional needs.

If you know an older adult who is being harmed in any way, break the silence.

This program is funded in part by Monroe County Office for the Aging, New York State Office for the Aging, US Administration on Aging, Lifespan of Greater Rochester, and participant contributions.
