GUN CONTROL

Don't let Albany take away your right to own a handgun. If you have a handgun permit issued prior to Jan 2013, you have to re-certify with the New York State Police prior to Jan 31st of this year or risk having your guns taken away from you. Act now if you haven't already done so.

This is not just about gun control. It has everything to do with control.

Brought to you by your friends at Seneca County S.C.O.P.E.

IT'S EASY TO START ENJOYING BETTER HOT WATER.

PULL THE PLUG ON YOUR ELECTRIC WATER HEATER, AND DISCOVER THE BENEFITS OF A PROPANE MODEL.

PULL THE PLUG ON ELECTRIC WATER HEATERS

When you install a new, energy-efficient propane water heater, you'll use less energy, save money, and reduce your carbon footprint. Don't wait to switch — install a propane model soon to avoid the wasted energy and high costs of your older, less efficient unit.

Call us today to discuss which propane model is best for your family and learn how much you could save.

National water heater standards have changed: is it time to pull the plug on your old water heater? Find out! Take our quiz and watch a short video at KnowYourWaterHeater.com.
