David Ettman for Seneca County Judge

Experience • Knowledge • Respect

Campaign contributions from special interests?

The people of the Seneca County community are my special interest!

Some recent mailers from the other candidates have suggested my campaign has received heavy financing from special interest groups looking to buy an election.

You need only grab **your stacks and stacks of glossy colorful mailers** from my opponents in this race to see who is trying to "buy" this election. We've spent the least of all 3 candidates by far. Campaign contributions AND expenditures are publicly available information on the Internet: [https://www.elections.ny.gov/ website.](https://www.elections.ny.gov/)

I'm the candidate who is running an ethical campaign in accordance with the Judicial Campaign Ethics Center's standards. I'm also the candidate who can run on **FACTS**. The Seneca County Judge has to be a judge for ALL OF THE COURTS- Family Court, Criminal Court, Surrogate's Court and Supreme Court. It takes experience in ALL OF THOSE COURT to be an effective and fair judge for all.

Compare the candidates side by side and it's not even close. I ask that you see past the misinformation and innuendo and vote for experience and integrity in your primary today!

REAL EXPERIENCE FOR ALL OF SENECA COUNTY!
